Summary: I'm accepting one-shot suggestions for Undertale! PLEASE READ THE RULES IN THE FIRST CHAPTER! Each chapter after that will contain one-shot stories that have been suggested. (Rated T in case of violence or mild language, but in general it will hopefully be K ; no genre as genres may vary; may contain Undertale spoilers!)

## 1. SUBMISSION RULES

If anyone remembers, I used to take suggestions for Littlest Pet Shop one-shot stories. Now I'm taking suggestions for Undertale one-shot stories. The same rules apply, but I'll post them here as well so you all can see them.

**\*\*I will accept the suggestion if...\*\***

~ I like the idea and am willing to do it.

~ The idea involves characters I know much about (i.e. Toriel, Asgore, Sans, Papyrus, Alphys, Undyne, Frisk, Flowey, etc.)

~ I like the ship suggested. (i.e. Soriel (SansxToriel), Papyton (PapyrusxMettaton), Alphyne (AlphysxUndyne), Sansby (SansxGrillby), Asreisk (AsrielxFrisk), etc.)

**\*\*I will NOT accept the suggestion if...\*\***

~ I do not like the idea and/or am not willing to do it.

~ The suggestion contains NSFW (Not Safe for Work); this includes pregnancy, sexual parts, activity, gestures, or references.

~ The suggestion contains incest of any kind, especially Fontcest.

~ I do not like the ship suggested. (i.e. Salphys (SansxAlphys), Papydyne (PapyrusxUndyne), Frans (FriskxSans), Papyrisk (PapyrusxFrisk), Charisk (CharaxFrisk), etc.)

~ The suggestion contains any fetish-related suggestions (I will allow tickling, but only if it's in a playful and non-sexual or fetish-inducing manner.)

~ The suggestion contains the use of any OCs/FCs. (Unless they are mine, which in this case they would be the kittens from the story Furballs - Cinna-Scotch, Comic, Justice, Glamour, Tokyo, Marinara, and Fluffy.)

**\*\*For other rules as far as suggestions go, I will allow...\*\***

~ Any characters and ships I know. (See above)

~ Playful, non-sexual, non-fetish-inducing tickling

~ Gore/Angst/Tragedy/mild swearing and violence (don't make it too extreme, and no deaths!)

~ Undertale AUs (so long as I know much about them; i.e. Underswap, Underfell, Aftertale, Errortale, etc.)

~ Anything along the True Pacifist, Neutral, and Genocide runs. (Again, be careful with the Neutral and Genocide run suggestions as far as death and extreme violence and gore goes.)

If you have any questions whatsoever about the rules or what can be allowed, please PM me. **\*\*Only one submission per person\*\***, so make it count; this being said, **\*\*anyone with an account\*\*** can make suggestions as I won't know if Guests are the same person or not.

And please be patient. I'm a senior about to graduate and there's a lot of stress and pressure on me, and I have lots of other things I need to work on " I'm also prone to laziness and artist block " so please bare with me. And just as a reminder, **\*\*I will NOT be doing all suggestions.\*\***

Let's see what ideas you have! :D

## 2. Change of Plans

Hey, guys, I've got some good news and some bad news.

The bad news is I've decided I don't really like this idea. Don't get me wrong, some of these ideas are great and I may still use them in the future! However, I've bitten off way more than I can chew with this... Sorry for getting your hopes up for nothing.

The good news, however, is that I've decided to instead do a series of one-shots according to the 100 Writing Prompts Challenge! That being said, there may times where I'd need help coming up with ideas for each prompt. So there will still be a chance for you guys to help out.

Again, sorry about the inconvenience.

(One other thing, this chapter/announcement thing, along with the first one, will both be deleted once the first one-shot prompt is

out. By the way, as a little spoiler the first prompt is "Dance" and it will involve a ship, most likely Papyton.)

End  
file.
